OS Natural Hardwax-Oil

January 13, 2007

What is OS?

OS Natural Wood Sealer offers an impeccable and durable finish for all wood, bamboo and cork floors. Our sealer will penetrate deeply into solid, parquet or veneered surfaces to enhance and maintain beauty and elasticity.

Offering a hard and lasting finish, our sealer is extremely water repellent and cannot water-mark. Based on natural vegetable oils and waxes, our lead-free sealer is the best choice for your floor finish.

Why use our Natural Wood Sealer?

- Will not crack, flake, peel or blister and is microporous.
- Is almost odorless on application and during drying period.
- Is stain-resistant against wine, beer, cola, coffee, tea, fruit juices and milk.
- Has the benefit of requiring only two coats - with no primer nor sanding between coats (for first time use).
- Is economical in price and time.
- No repair marks when renovated in parts.

Product Specification

Drying time between coats approximately 8 to 10 hours. Dried surface can be buffed or polished by hand or machine. Surface hardens with age over the next 2 - 3 weeks. A 2.5L can covers approx. 300 sq.ft. with 2 coats. A .75 L can covers approx. 100 sq.ft. with 2 coats.

Environmental Benefits

Our Natural Wood Sealer contains no biocides or preservatives. Additionally, it is safe for use on children's furniture and toys. Made from natural vegetable oils and waxes from the following purified renewable natural raw materials (plants): Carnauba wax, Candelilla wax, Sunflower oil, Soybean oil, Thistle oil.
